**Help Us Grow the Base**

Numbers count. Numbers get the attention of elected officials and decision makers. Florida is the third most populated state in the nation. Imagine if everyone who bicycles in our state became a member of FBA. We could be a million strong!

**We Have the Foundation**

Florida Bicycle Association provides materials to educate bicyclists, pedestrians and motorists about safely sharing roadways and paths. FBA acts as a voice for the needs of bicyclists through positive relationships with legislators, law enforcement agencies, the Florida Department of Transportation and local transportation-planning organizations. We have a seat at the Florida Pedestrian/Bicycle Safety Coalition and Florida Greenways and Trails Foundation.

Membership dues and Share the Road license plate proceeds are used for safety education and awareness programs for bicyclists, motor vehicle drivers and pedestrians. FBA annually recognizes people, communities and agencies around the state for their outstanding contributions in building a bicycle friendly Florida.

Florida Bicycle Association was incorporated in 1997 for educational and charitable purposes and is a not-for-profit, tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code. Contributions are tax deductible to the fullest extent allowed by law.
